Be.ez announced today the new 17" custom fit LEvertigo – a custom fit notebook bag for the MacBook Pro. Be-ez adds to it's LEvertigo family and expanding range of brilliant designed and well-made satchels with a custom made over the shoulder transporter bag.

The 17" Macbook Pro custom fit LEvertigo is a notebook bag that allows you to transport your laptop as well as documents and accessories in comfort and style. The

Vertical design allows you to have the bag close to your body at all times, and with complete all round protection with velcro-secured padded flap you are left with a protective and secure computer transporter bag.

This Christmas give your notebook a new home with the Be-ez 17" custom fit LEvertigo. To bag one of these beauties for review please email [adam.rhodes@raniericommunications.com](mailto:adam.rhodes@raniericommunications.com)
