

So, you've bought a PSP. You couldn't stand the fact that it had to be black or white - you like bright, vibrant colours, but you bit your lip and went ahead with it anyway, because as a discerning gadgeteer you needed it. At least you only have to see it for a few seconds before the screen enlivens the whole thing. However, the supplied pouch is as offensive as a Nazi musical to you, so you need a replacement. These inexplicably named form-fitting cases should do the trick.

*“ you like bright, vibrant colours... these form-fitting cases should do the trick.”*

**FR** - *“vous aimez les couleurs vives et claires, ces housse à mémoire de forme sont pour vous.”*

**DE** - *“Sie haben eine Vorliebe für lebhafte Farben... Diese schützenden Taschen sind da genau das Richtige für Sie.”*

**JP** - *“生き生きしたカラーで人目を惹き、アーゴノミクスも抜群.”*

**SP** - *“Si te gustan los colores vivos y llamativos, estas fundas ajustables te encantarán.”*
